Dear Mr. Snopek:

Thank you for your response of January 13, 1974. I am happy to inform you that we will program your LIFE AND CAVE II, providing that you can come and bring the puppets and personnel necessary to operate the puppets. If the dancer cannot come we can possibly use a local dancer. Would you please respond indicating your acceptance, who is coming for the program notes, and your approximate arrival time. I would suggest that you make reservations at once in the Vanderbilt Holiday Inn, West End Avenue, Nashville, Tennessee.

I look forward to meeting you and working with you in this production.

Sincerely,

Gil Trythall  
Director
