WCMF is a non-profit organization dedicated to the performance of new or contemporary music by Wisconsin born or Wisconsin trained composers, or simply by composers making Wisconsin their base of operation. Also, the performers are Wisconsin-based musicians. WCMF has been a recipient of a travel grant through the Wisconsin Arts Council which helps sponsor some of the costs entailed in presenting concerts outside of the originating concert's locale. Membership in the Wisconsin Contemporary Music Forum is strongly desired. Interested persons should contact Sr. Marion Verhaalen, Alverno College, 3401 S. 39th, Milwaukee, Wisconsin.
